

Chiara Magazzini

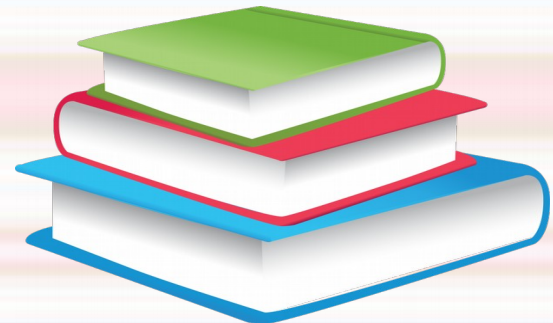

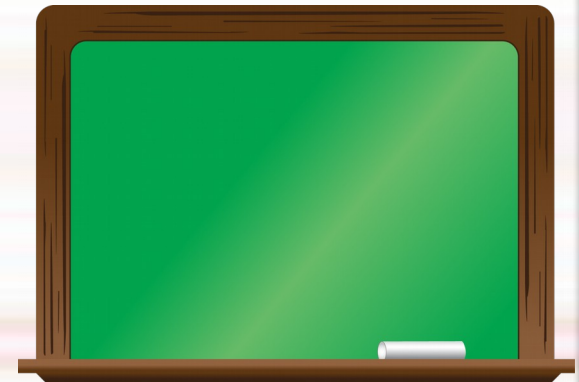

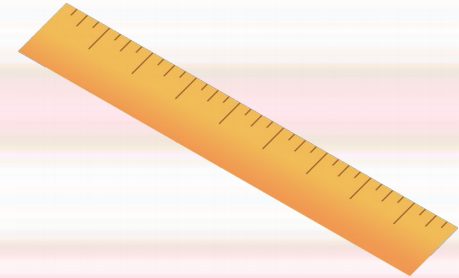

Hello!

***My name is Chiara and I am sixteen years old.
I live in Poggibonsi, a small city in Tuscany.***

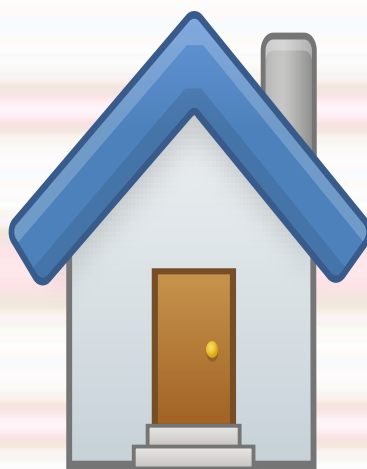

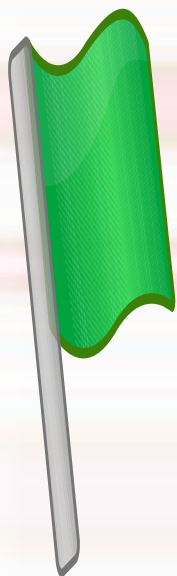

I attend the school San Giovanni Bosco in Colle Val D'elsa, at a distance of about fifteen minutes from my house. In my class we're 22 pupils and during the written exams we help each other.

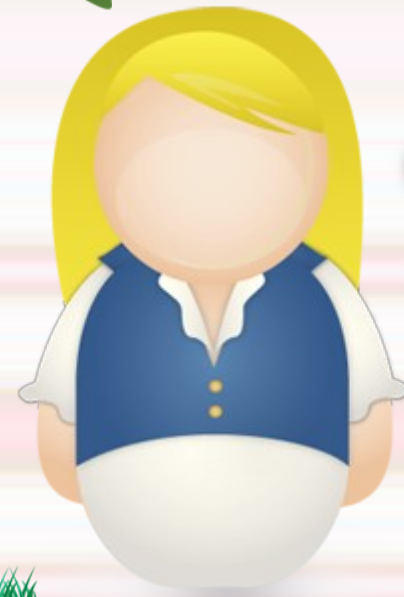

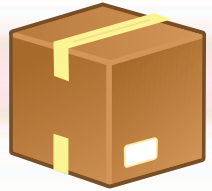

In my family there are 4 people: my dad Gianfranco, my mom Sandra, my brother Davide (he's older than me) and me. We're a very close family and we help each other in every sad moment. (We have taken these picture last summer, when we were in Trentino Alto Adige)

***In my house there are also three pets:
Seta (the dog), Mia (the little cat) and Pinkie, like the finger
(the hamster). I love animals!***

I'm very shy and introverted, but I love meeting different people of other countries. It's a way to learn a new language and do new experiences.

*My favorite colors are **black**, **green**, **red** and **white**.
I haven't a singer that I like in particular, I listen to all kinds
of music. I like doing athletics, swimming, skating, skiing and
I don't mind the ball games like basket, soccer, volleyball...*

It continues on the next ppt..
