

My name's **Gioia** **Brogioni**

About me:

I'm 15 years old. I was born on March 23rd, 1998. I'm short and slim, I've got straight, long and brown hair, I've got brown eyes too. I like reading fantastic and romantic books, but I don't like horror films.

It's my little dog: **Tody**

My school and my town

My school is big and with language, science and technology labs and two gyms. I study Law, Economy and Psychology.

It's in my town: Colle di Val D'Elsa. It's a small town but in June there is the feast of Renaissance and people dress up with Renaissance costumes.

Thanks for your time
