

*Hi! I'm Viola  
Barberino!*

I'm 15 years old and I was born on 01/08/1998. I live in Staggia, a small town near Siena in Italy. I attend the second class of a pedagogical school, San Giovanni High School in Colle Val D'Elsa.

This is the Staggiacastle!

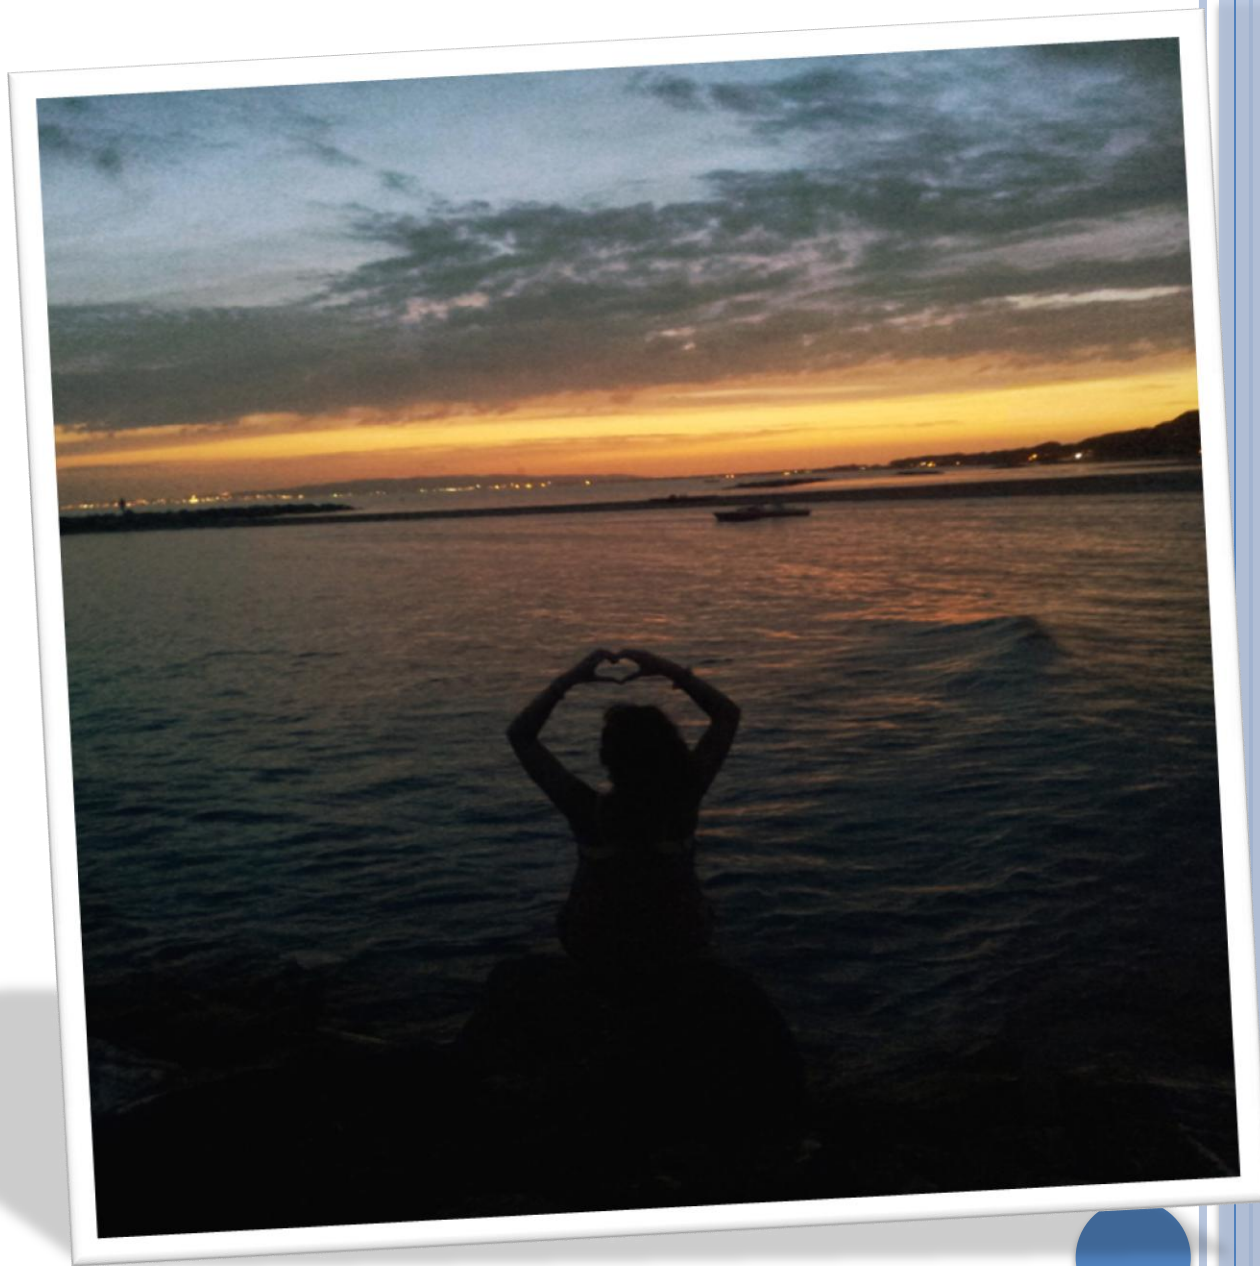

This castle is called la "Rocca di Staggia" and it was built on 994.

In my free time I like hanging out with my friends,  
doing sport, reading and going shopping with my  
best friend Vittoria 😊

music, and  
above all the  
rap.  
I love the sea,  
especially in  
winter. I hope  
that when I  
grow up I can  
go and live  
there.

Thanks for your attention 😊
