

This is me

Hello 😊 I am Lucrezia Candotti, I am an Italian girl and I'm fifteen years old. I love listen music, play the piano and go out with my friends

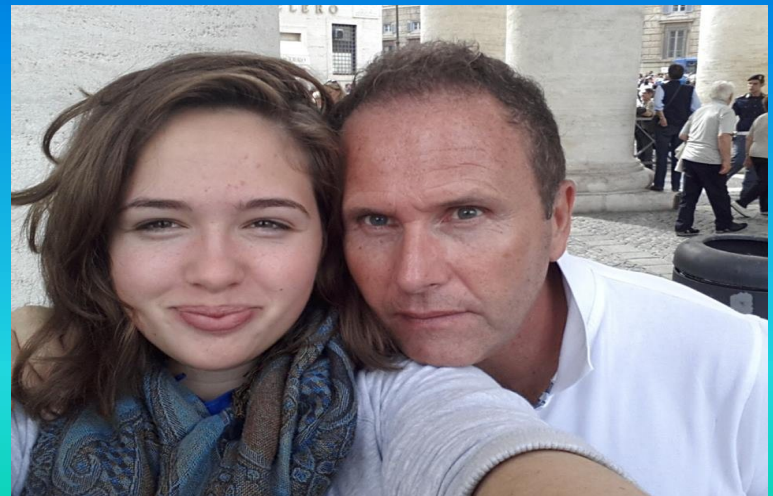

My school

I attend a high school in Colle val d' Elsa. I study Maths, English, Science and Latin. I love spending my time with my classmates, they are outgoing and friendly

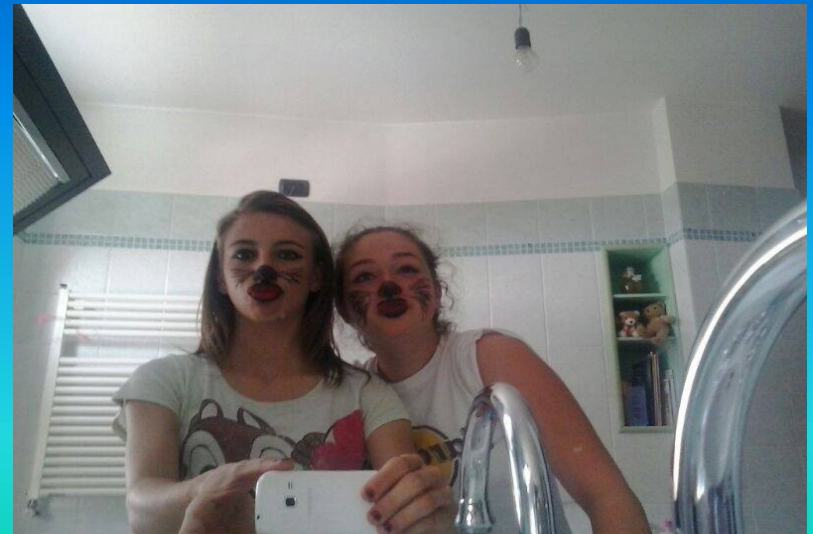

My sweet family

In my family there are four people: my mum Laura, my dad Roberto, my sister Ginevra and me. We love spending lots of time all together going on trip to the mountains.

My “sister”

I have got a best friend, her name is Giulia, she is like a sister for me. I have known her since my mother was pregnant. We spend lots of time together. We love taking photos and going out with her dog.

My best friend

My best friends' names are Giulia, Elisabetta and Valentina, they are sixteen years old. We have known since we were young. I love spending my free time with them. When we are together we watch horror films and we make silly videos.

My interests

I love playing the piano and guitar. I have been studying the guitar for eight years and the piano too for one month. I like playing volleyball with my team and in my free time I watch films like “Harry Potter” and “Lol”
