

Introducing myself

- Hi everybody, my name is Marta. I'm 17 and live in Sambuca Val di Pesa near Florence. In my family there is my father, Renzo, my mom Cecilia and my brother, Matteo. I have two cats and four turtles, I love animals.

My interests

- I'm a sporty person. During my life I have changed a lot of sports, in fact I have passed from swimming to artistic gymnastics, tennis, football until I started practising my current sport, muay thai. In addition to the various sports I enjoy reading, especially fantasy, thriller, manga and listen to music. During my free time I go out with my friends or when I'm alone in the house I love singing. My best friend call Maddalena. I have fun with her, even though we have two completely different characters, she's sweet and calm, I'm most often acidic and impulsive.
