

# ***Association Italy- Romania future together - irfi***

**It's a voluntary association that promotes initiatives to encourage the social integration of young people and Romanian families in the Italian reality.**

**Its aim is enhancing, cultivating and promoting interlingual and intercultural relations between Italians and Romanians.**

# *How does it work?*

**It works to set aside prejudices and stereotypes,**

**It is committed to promoting a positive image**

**of migration and it strengthens communication**

**between local communities and foreign citizens.**

**It directs attention to the immigrants,  
also  
Romanian, who daily or occasionally  
cope with  
that reality, in order to favor the  
dialogue and the way people approach  
them.**
